ROLE:

This is a labour of love with a difference; you would help a child find a future with a loving family.

Your pictures, layouts and designs must evoke heartfelt sentiment; convey why every child needs a good home, that more people should foster or adopt children, Malaysians should support OrphanCare's mission to deinstitutionalise children. We want our stories to inspire stakeholders – donors, clients, government, the Malaysian public – to help us realise our mission: That every child in Malaysia deserves to grow up in a family environment, not an institution.

You will help to produce:

2. Corporate materials – Brochures, leaflets
3. Campaign materials – Print ads, outdoor ads, online visuals.

If you have experience in:
